**Format:** LP, CD, Digital

**Label:** self-released

**Distribution:** Dutch Music Works (physical), TuneCore (digital)

**Genre:** Post-Rock

**Release Date:** 10/09/2026

**White Shores** is the fifth studio album by Swiss post-rock band **hubris.** set for release on September 10th, 2026.

Formed in 2014, the instrumental quartet is characterised by their original style which blends an experimental touch of post-rock, electronica atmosphere and some elements of the metal scene.

Following four albums rooted in Greek mythology, composer and founder **Jonathan Hohl** turns to his other favourite source of inspiration: **The Lord of the Rings**, but more specifically **J.R.R. Tolkien's** exploration of mortality and immortality.

In **Tolkien's** legendarium, elves in spite of their immortality (a trait often coveted by humans) refer to death as the "Gift of Men." This paradox offers a striking alternative to the Western perception of death as purely tragic. A "gift" implies something desirable, even fortunate.

In the wake of his grandfather's passing, this perspective became the emotional and conceptual foundation of **White Shores**.

The album unfolds across five movements, each representing a word in a single sentence: **Death. Is. Just. Another. Path.**

#### Tracklist

1. Death
2. Is
3. Just
4. Another
5. Path I

#### Line-up

Jonathan Hohl - guitar  
Lucien Leclerc - bass  
Léo Juston - drums
